Mission Statement and Performance Measurements

The purpose of the HVADC is the development, promotion, enhancement and retention of the agricultural industry and its associated economic and environmental benefits within New York's Hudson Valley. HVADC promotes the Hudson Valley as an attractive, viable region for agriculture through technical assistance, business development services and the coordination of financial and other resources.

2014 Performance Goals:

- Assist 35-40 businesses through the Incubator Without Walls program
- Participate in regional economic development efforts and planning processes
- With Board of Directors approval, participate in special project(s) as the opportunity or need arise

Additional questions:
